

Guided Practice: Check List of activities

Workshop 1 Activities

Complete the checklist and questions before you leave workshop #1 today

- ☐ Select a workshop partner (grade level match if possible)
- ☐ Record video to introduce yourself to your students using a Flip camera
- ☐ Acquire a flip share account
- ☐ Upload video to Flip Share Channel
- ☐ Acquire a wikispaces account
- ☐ Collaborate on a Wiki <http://DigitalPortfolioWorkshop.wikispaces.com/>
- ☐ Post content on usb drive to group wiki page (including flip share video link)
- ☐ Based on workshop presentation post one example of how you might use video to teach in your classroom on your wiki page
- ☐ Based on workshop presentation post one example of how you might use a wiki to teach in your classroom on your wiki page

Workshop 1 Reflections

Reflect on how well you were able to achieve today's activities. If you still need to work on your workshop activities. If you feel you still need to work on any activity, identify what you need to achieve completion.

Activity #1: Film with your flip cam

Activity #2: Get your Flip Share account

Activity #3: Upload your flip video to Flip Share

Activity #4: Get your wikispaces account

Activity #5: Build your group wiki page- did you post video link, image, text, and comments?
